12. Substitutions of Supplies/Services. Prior to the Seller's substitution of supplies and/or services, to include personnel assigned by the Seller to perform the services herein, the Seller must obtain written authorization from Buyer. 13. Proprietary Information and Data of Buyer/Seller. Any information or knowledge either party discloses regarding this Purchase Order shall not be deemed confidential or proprietary unless expressly agreed upon by the parties in writing, clearly identified as proprietary information, and delivered to the duly designated individual. Any such unpatented information or knowledge shall be acquired by Buyer free of any restrictions. Each party hereto agrees not to disclose such proprietary information to unauthorized parties. Neither party shall be liable, however, for the inadvertent or accidental disclosure of such information, marked as proprietary information as provided above, if such disclosure occurs despite the exercise of the same degree of care as such party normally takes to preserve and safeguard its own proprietary information. The receiving party shall not use proprietary information of the other for any purpose other than as is required for the performance of this Purchase Order. The receiving party assumes no responsibility for the release of proprietary information by the Government to the general public pursuant to the Freedom of Information Act, as amended, or any other similar statute or regulation.

16. Delivery. Seller agrees that time is of the essence in the performance of this Purchase Order. Deliveries shall be strictly in accordance with the order delivery schedule. Buyer reserves the right to refuse or return, at Seller's expense, any excess shipments or deliveries made in advance of the order schedule. Invoices for early deliveries, when accepted, may be deferred until the scheduled delivery date. Seller agrees to advise Buyer, as soon as possible, of any delays in meeting the order delivery schedule and the reasons therefore. If a delay is due to causes beyond the Seller's and, when applicable, Seller's subcontractors' control, and without fault or negligence of either of them, Buyer may, at its sole discretion, either adjust the delivery schedule or terminate the order for convenience. If the delay is due to the Seller's or its Sellers failure, and the failure is not cured within ten (10) days after Seller's receipt of Buyer's notice thereof, Buyer may, at its sole discretion, either accept a revised delivery schedule and an equitable reduction in the order price or terminate the order for default. Acceptance of late deliveries shall not constitute a waiver thereof by Buyer.

Buyer and its customer may inspect and/or test materials, work in progress, and completed supplies at all reasonable times and places during performance of the work and prior to shipment. Rejected supplies or services shall be corrected or replaced. Rejected services shall be performed in an acceptable manner. If inspection and test are made on Seller's premises, Seller shall, without additional charge, provide reasonable facilities and assistance for the safety and convenience of the inspectors performing these duties. Inspections and test shall be performed in such a manner as not to unduly delay work in progress. Unless otherwise agreed in writing, all supplies and services furnished under this Purchase Order are subject to Buyer's inspection and acceptance or rejection at destination, notwithstanding any previous Buyer or its customer's source inspection or test. Inspection/test at source or at destination shall not relieve Seller of its responsibility to furnish the supplies/services in strict conformance with this Purchase Order's requirements. Seller shall maintain an inspection and quality control system acceptable to Buyer and its customer. Seller shall furnish Buyer the records of inspection/test for supplies and services furnished hereunder at any time during the warranty period upon Buyer's request.

No verbal or written request, notice, authorization, direction or order received by the Seller shall be binding upon Buyer, or serve as the basis for a change in this Purchase Order, unless issued (or confirmed) in writing by Buyer's Procurement Department. Within ninety (90) days after the effective date of the stop-work order, Buyer shall make an equitable adjustment in this Purchase Order delivery schedule and/or price if the stop-work order results in an increase in time or cost for performance. Seller must assert a claim for equitable adjustment within thirty (30) days after the end of the work stoppage, if applicable.

27. Certification of Independent Price Determination. Seller certifies that the price(s) invoiced were arrived at independently, without consultation, communication, or agreement with any others for the purpose of restricting competition, and that Seller has not and will not knowingly disclose the price(s), directly or indirectly, to others.

Buyer's right to terminate for default may be exercised if Seller does not cure the failure within ten (10) days after receiving Buyer's notice of such failure. If Buyer terminates this order in whole or in part, Buyer may purchase similar supplies or services from others and Seller shall be liable for any additional costs above the original price for the terminated supplies/services. In the event of a partial termination, Seller shall continue the work not terminated. Seller shall not be liable for any additional costs if failure to perform arises from causes beyond the Seller's or Seller's subcontractors control and without fault or negligence of either of them; provided, however, that the supplies/services to be furnished by Seller's subcontractor (at any tier) were not obtainable from others in time for the Seller to meet the order delivery requirements. Buyer shall pay Seller the order price for any completed supplies/services delivered and accepted. Buyer and Seller shall agree on the amount of payment for manufacturing materials (parts, tools, dies, jigs, plans, drawings, etc.) delivered and accepted by Buyer. Buyer may withhold from any payments due Seller, any sum necessary to protect Buyer against liability or expenses due to the termination for default. Pending final resolution, Seller shall proceed with the performance of this order in accordance with Buyer's instructions. Except as may be otherwise expressly stated, the remedies provided herein shall be non-exclusive and in addition to any other remedies in law or equity. A waiver of
